Muhammad Arrizky Adhita Azizi

has successfully completed the online, non-credit Professional
Certificate

Microsoft AI & ML Engineering

This comprehensive program is designed to equip students with the knowledge and skills required to navigate the ever-evolving world of artificial intelligence and machine learning (AI & ML). Comprising five courses, the program covers a broad spectrum of AI & ML topics, from foundational infrastructure to advanced applications and real-world deployment. Each course builds on the previous one, providing students with both theoretical understanding and hands-on experience, ensuring they are prepared for the challenges and opportunities in the AI & ML field.
